Suite 1600
50 South Main Street
Salt Lake City, Utah 84144

Dear Mr. Andrews:

Re: Approval of Permit Transfer and Surety Bond, Reilly Tar & Chemical Corporation, Wendover Operation, M/045/002, Tooele County, Utah

The Board of Oil, Gas and Mining has approved the permit transfer and the Surety bond submitted by Reilly Tar & Chemical Corporation in the amount of \$49,100 for the Wendover project. Reilly Tar & Chemical Corporation has completed the necessary requirements to acquire the mining and reclamation obligations for this operation from Kaiser Aluminum & Chemical Corporation.

A complete copy of the permitting transaction and associated documentation is enclosed for your records. The reclamation bond was calculated and posted in 1998 dollars and may be revised, replaced, or renewed at any appropriate time with prior approval of the Board, Division and the operator.

Thank you for your cooperation in completing this permitting transaction. Please contact me or D. Wayne Hedberg of my staff should you have any questions or require additional information.

Sincerely,

Lowell P. Braxton
Administrator,
Mineral Resource Development
and Reclamation Program
